AUDIO SYSTEM

Create Soundwaves: Enjoy redesigned speaker grills for in-boat and Rev 10 tower speakers, plus an upgraded subwoofer and a new sub amplifier for enhanced audio performance. Because great days on the water deserve and epic soundtrack.

HELM EXPERIENCE

Command with Confidence: Enhance your helm with a range of optional upgrades including a dual-screen display and premium steering wheel, plus a new premium driver seat option. Confidence never looked—or felt—this good.

E/PEX 2 TOWER

Efficiency That Elevates: The new E/PEX 2 tower features improved styling and bimini latching for a quicker more secure setup. And with the power-folding system, you can raise or lower the tower effortlessly with just the push of a button.

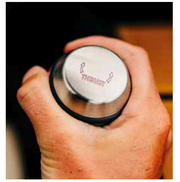

SMARTER DASH. BETTER WAVE.

Shape Your Wave with a Tap: Dial in your perfect surf wave at the push of a button. Choose from Steep, Medium, or Mellow, and the system automatically adjusts plates and speed to deliver your ideal wave in seconds.

STERN DUAL THRUSTER SYSTEM

Superior Power & Precision: Moomba's next-generation dual thruster system delivers exceptional control and performance. Mounted directly to the SmartPlate, this optional upgrade features advanced electric motors and a fully integrated battery management system engineered for quicker response, enhanced precision, and reliable power on demand.

GRAB HANDLES & TRANSOM RAIL

Function & Style: Designed for both function and style, Moomba's redesigned grab handles offer improved durability and a more refined look throughout the cockpit and bow. Plus, a new optional transom rail adds extra support where it matters most, making it easier to climb back onto the swim platform and reboard after a set.

TRANSOM MOUNT ENTRY STEP

Step Up (or Down) with Ease: This optional step gives you a convenient boost from the swim platform into the boat, making water entry and exit smoother for everyone.

PLATFORM FLIP STEP

Effortless Entry: Our new, simplified flip-down step provides a seamless transition from the water to the swim platform. Whether you're wakeboarding, tubing, or relaxing in your favorite cove, the Platform Flip Step adds comfort and ease to every outing.
